**\*Tuition Includes Refundable \$400 Service Hour Fee**

We have accepted the SAB recommendation to include the \$400 service hour fee into the school tuition. The \$400 fee is the maximum charge for required and unfulfilled service hours (see School Handbook pg. 15 which states 20 hours are to be charged at a rate of \$20 an hour if not completed). This charge is now added to the tuition payment and, at the end of the school year, service hours completed by families will be refunded back at the same rate of \$20 per hour fulfilled. Families that have not reached the minimum of 20 hours required will have the amount of hours obtained calculated and only the amount based on hours completed will be refunded. All refunds will be deducted from final tuition payment.

**Fees:**

**Application Fee:** \$50.00 per new applicant, non-refundable (Due with application; assessed one time, per child; must be accompanied by copy of child's birth and baptismal certificates, and, if entering grades 1 - 7, previous report cards and sample of child's work; also covers cost of pre-admission assessment.)

**Registration, Technology Enhancement, Book and Supply Fee:** \$125.00 per child, non-refundable (Due at time of registration/re-registration; reflects an applied \$25 per child credit from the Maryland State Department of Education Non-Public School Textbook Grant; covers cost of all textbooks, e-books, educational apps, and start-up supplies.)

**Processing Fee:** \$15 per new sibling of returning families. For returning families who are adding a new family member to the school.

**Returned Check Fee:** \$30.00
